MYSORE DIVISION (OPEN LINES).

Notification dated 14th February 1931.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Open Line Division, Mysore Railways, Mysore, up to 3 P.M., on Monday the 9th March 1931, from Contractors who are willing to do the work of (1) Earthwork cutting opposite to Station Buildings, Mysore and (2) Extending the present Station Building by 40 feet with a rear Verandah.

2. Every tender must be accompanied by an earnest money of Rs 200 which can be paid to the Auditor, Mysore Railways, Mysore, and the receipt thereof enclosed along with the tender.

3. Tenders should be submitted in special forms which can be obtained from the Executive Engineer, Mysore Railways, Mysore, on payment of rupee one.

4. Tenders which give rates as per estimate rates or so much per cent above or below estimate rates, will not be considered.

5. The name of the accepted tenderer will be posted on the Notice Board of the Executive Engineer's Office by the end of March 1931. No enquiries regarding the acceptance or rejection of a tender will be replied.

6. The earnest money of the unsuccessful tenderers will be returned as soon as possible after the tenders are disposed of, while that of the successful tenderer will be accepted as part payment towards the security deposit due as per Para 7 *infra*.

7. The successful tenderer should deposit with the Auditor, Mysore Railways, Mysore, before signing the Schedule Agreement, 5 per cent of the value of the work for which the tender is accepted as security for due fulfilment of the terms of the Agreement.

8. The final acceptance of the tender will rest with the Superintendent, Way and Works, Mysore Railways, Mysore, who does not bind himself to accept the lowest or any tender and who further reserves to himself the right to reject, without assigning any reasons therefor any or all the tenders or any portion of a tender.

9. Work should be started within a week from the date of acceptance of tender and completed before 15th June 1931, with a guaranteed monthly rate of progress. The accompanying schedule gives the approximate quantity of earthworks and this quantity is not guaranteed.

10. The time limit specified in para 9 should be strictly adhered to and any voilation of this will render the contractor liable to forfeit his five per cent deposit amount, not as a penalty but as ascertained and liquidated damages recoverable accordingly.

11. Plans and specifications and other details of work to be done are available for inspection in the Executive Engineer's Office, Mysore Railways, Mysore, where intending tenderers may call and obtain required information during office hours.

12. In all matters of dispute regarding rates, measurements, quality of work, etc., and in all disputes of any kind, the decision of the Superintendent, Way and Works, Mysore Railways, will be final and legally binding.

Schedule.
